Pre-round group golf clinic with PGA Professional Skye Choueiri

With lush bent grass greens, among the largest in the country, unique bunkering and a beautiful natural layout, you will be tested on every hole whilst also taking time to soak up the surrounds. The landscaping areas on the fairways, are generous enough for the average golfer, but a premium has been put on the consequence of finishing in either bunker or water.

Evening: **A true West Australian experience**

Fish & Chips on the beach while watching the sunset over the water, something those of us on the East coast don't get to experience!

ITINERARY

Wednesday 24 October 2018

Golf at The Vines – Lakes Course with shared motorised carts

Pre-round group golf clinic with PGA Professional Skye Choueiri

The Lakes is considered the members' course at The Vines and is arguably more eye-catching, particularly with its water-laden finishing holes, although many of its more enticing attributes don't feature any water, thankfully! If there is a common theme to the two courses at The Vines, it's the size of the greens. Often these gargantuan surfaces play like two or three greens in one.

Thursday 25 October 2018

After breakfast, you will check out of the hotel and travel south to Margaret River, stopping on the way to experience a golf clinic with Shani Waugh, ex-touring professional and 3 time winner on the Ladies European Tour.

1 hour golf clinic with Shani Waugh at the Shani Waugh Golf School

Golf at Bunbury Golf Club with shared carts – 9 holes

Located in a tranquil setting between the Collie River and Leschenault Estuary, Bunbury Golf Club is a well wooded, challenging course with large undulating greens. First established in 1948, the Club policy has been one of continual improvement with the course rated in the top 10 in Western Australia, and No. 59 throughout Australia. The course ambles amongst 180 acres of native trees and plants and is home to numerous varieties of fauna including over 200 kangaroos.

After golf transfer to the hotel

ITINERARY

Check In: **Caves House Hotel Yallingup – 4 Star - 3 Nights**

Originally built in 1903 by the Government of Western Australia, the historic Caves House Hotel Yallingup provided accommodation for visitors to the newly opened caves nearby. The magnificently restored, heritage-listed Caves House Hotel features original textured plasterwork, skirtings, coffered ceilings, decorative ceiling treatments, fireplaces, saloon bar, picture rails, Art Deco cornices, terrazzo floors and coves, wall tiles, etc. The existing bedrooms have been made larger, with all rooms now featuring a marble-tiled en-suite bathroom and some rooms have an adjacent sitting room.

Friday 26 October 2018

Afternoon Wine Tour of the Margaret River Region

This morning, enjoy some time relaxing around the hotel, or down on the absolutely gorgeous Yallingup beach before joining us on an afternoon wine tour. From the first commercial vineyard planting in Margaret River in 1967, the region, whilst a relatively small producer of Australian wine, produces a massive 20% of Australia's premium wine. The pristine environment and the many

micro climates ensure that every wine is special but not one is the same. Spend the afternoon visiting just some of the 95 cellar doors on off in the Margaret River Region.

A great country course that has it's own tavern on site. Perfect for those 19th hole G&T's!
