Day 2

Monday 27 February 2023

Torrey Pines Golf Club North Course
18 Holes with Shared Motorised Cart

Perched above the cliffs overlooking the Pacific Ocean, Torrey Pines is one of California's most iconic golfing destinations. The course is named after the Torrey pine, a rare tree that grows in the wild in very few places including along this local stretch of the coastline in San Diego County. In 2016, the North Course underwent a \$12.6 million improvement and redesign by noted golf course architect Tom Weiskopf. Featuring fewer bunkers (reduced from 60 to 42) and larger greens than before (increased from 4,500 square feet to 6,000), the North Course has also switched the front nine holes with the back nine, making the famous ocean views prominent to golfers as they finish their rounds.

Day 3

Tuesday 28 February 2023

This morning, after breakfast, you'll check out of your room, before heading to golf.

**Torrey Pines Golf Club South Course
18 Holes with Shared Motorised Carts**

The Torrey Pines South Course is the more challenging of the two and is the host of the 2008 & 2021 U.S. Open Championships. The South course was originally designed by William Bell, Sr. in 1957, and is home to the Farmers Insurance Open PGA Golf Tournament (along with the North Course). In 2001 and again in 2019, Torrey Pines South Course was renovated and redesigned by Rees Jones. With the most recent renovations, Torrey Pines South is longer and plays more difficult, with the South's teeing areas extending the length of this course to up to 7,800 yards. Golfers must also deal with the distractive view of hang-gliders and para-gliders, soaring and hovering at the edge of the cliffs on the south end of the course.

After golf we'll travel onwards to Palm Springs (approx. 2.5hrs).
