Royal Golf Dar Es Salam - Red Course - 18 Holes with Pull Buggy

Motorised carts available for those golfers with a medical certificate

Ranked #1 in Morocco

Morocco's King Hassan II – a real golf enthusiast – commissioned American-based architect Robert Trent Jones to design Royal Golf Dar Es Salam in the late 1960s on a massive 1,000-acre site. This is literally a course fit for royalty. The tingle of anticipation, which every true golfer feels on approaching a course, begins at Rabat with a salute from the guard at the imposing mosaic gatehouse. Apart from the customary splashed bunkers, doglegged fairways and raised greens to be found on most of his layouts, he also shipped in some Roman column ruins – found between holes 11 and 12 – from the ancient city of Volubilis. The signature hole on the property is undoubtedly the par three 9th where the tee shot has to carry a lily pond, complete with wading flamingos, to a shallow island green surrounded by flowers and trees – definitely one for the camera.

After Golf

Half Day Guided Rabat City Tour

Discover the captivating city of Rabat, Morocco's capital, renowned for its historical landmarks, exquisite architecture, and vibrant culture. Join a guided city tour to delve into the rich heritage and charm of the UNESCO recognised imperial city of Rabat.

Two of Rabat's most significant historical sites, the 12th century Hassan Tower and Mohammed V Mausoleum, sit next to each other at one of the highest points of the city. The never-completed tower was intended to be the tallest minaret in the world. Even at a modest 44 meters it's still an imposing sight, which has been watching over the city for eight centuries. The adjacent white marble mausoleum, with red-uniformed royal guards on each of the four entrances, contains the tombs of the Moroccan king Mohammed V and his two sons. This monument is more than a burial site; it is a tribute to Arabic-Islamic art that showcases all the charms of this heritage.

Perched above the sea and the river, the Kasbah of the Udayas, is Rabat's historic citadel, and another a UNESCO World Heritage Site. A haven of tranquillity, with its flower-filled little streets, Andalusian garden, and Moorish café, the Kasbah of the Udayas is one of the most unique and beautiful sites in Morocco.

We'll also venture into the bustling heart of Rabat—the Medina, a labyrinth of narrow lanes teeming with shops, vendors, and colourful markets. We'll immerse ourselves in the vibrant tapestry of daily life in Rabat, soak in the bustling atmosphere, and browse for souvenirs, spices, and traditional handicrafts amidst the lively ambiance of the Medina. A truly authentic Moroccan experience.

Day 9**Tuesday 25 November 2025****Breakfast****Full Day Guided City Tour of Marrakech**

Marrakech, the Red City is an ancient and captivating city that has been the epicentre of culture and trade for ages. Exotic wares, reminiscent of a bygone era, still line the streets as tradesmen shout out to excited tourists who lose themselves to the rose-tinted hues of the city. The pink city, or “Al Hamra” in local parlance, tantalizes its visitors with a heady mix of bohemian high culture and the rural earthiness of the villages. Inquisitive eyes stare out of the finely-crafted faded red and ochre walls as the story of this mystical land unfolds down the narrow alleys that one can only walk through.

The convergence of perhaps the most exotic cultures in the world exist right here in this city. Arabian, African, and European influences are found in the streets, its inhabitants, and its monuments. It is a city that pulsates with life, where the warm sunlight bathes rough pink walls, fragrant spices fill the air with their rich hues, and rose petals dance on the surface of gently trickling fountains.

Today, we'll embark on a journey exploring the ancient pink-walled medina, where every corner reveals a piece of the city's storied past. We'll discover the vibrant Majorelle Garden and its Berber Museum, along with the YSL Museum for a taste of artistic inspiration.

Step into history at the medieval Medersa ben Youssef, a magnificent Islamic monument

that showcases exquisite architecture and craftsmanship. Architecture enthusiasts will marvel at the delicate dome of the 12th-century Koubba, a testament to the city's architectural legacy.

We'll immerse ourselves in the lively souks of Marrakech, where a kaleidoscope of colours and scents beckons you to explore. Each trade, from spices to carpets, jewellery to brass, has its own quarter, offering a glimpse into the city's vibrant marketplace culture. Witness villagers bringing their handcrafted rugs to sell, artisans meticulously crafting wares as they have for centuries, and the pulsating rhythm of daily life that defines Marrakech's soul.

Revisions, Modifications & Pre/Post Tour Options

Once Golf & Tours has confirmed that the minimum number of guests for a tour has been met, guests are kindly asked to decide if they would like Golf & Tours to arrange extra nights of accommodation before or after the tour, and if their flight schedules do not match the group airport transfers, whether they would prefer a private airport transfer. Golf & Tours is more than willing to organize these additional arrangements for our guests at no extra charge, up until the final balance due date. Travel Insurance

It is mandatory that you have your own comprehensive travel insurance while travelling on a Golf & Tours holiday. The policy should provide cover for any element of your booking including loss of deposit, cancellation, liability for illness, medical expenses, repatriation, personal injury, death or loss of any kind, delay and inconvenience caused directly or indirectly by Golf & Tours or by any other third parties we subcontract to, and loss or damage to baggage and valuables. You are responsible for making any special or increased insurance arrangements which you deem are necessary. The payments made to G&T for your tour are non-refundable. Travel insurance will cover you for unseen circumstances that may force you to withdraw from the tour. Golf & Tours strongly recommends that you take out "Cancel for Any Reason" (CFAR) insurance.

Travel Health

Getting sick overseas is a sure way to ruin your trip. Taking appropriate precautions before beginning your trip can reduce your risk of getting sick whilst overseas. Prevention is better than cure. Your GP or travel doctor can tell you exactly what vaccinations you need for your upcoming trip. Their advice considers your health, your immunisation history and your destination. Golf & Tours recommends speaking to your doctor, and to consider vaccinating yourself, or getting a booster to protect yourself, against COVID-19 and Influenza.

Staying hydrated is essential when travelling. Worldwide, tap water varies from country to country. Drinking water in other countries is one of the leading causes of health issues for travellers. Travellers become ill because the water pathogens in the local tap water are foreign to their immune systems. At the same time, locals can drink from the same source and have no issue whatsoever because they have adapted to the water supply from a very early age. Golf & Tours recommends drinking bottle water, and using bottled water to brush your teeth on any tour, outside of your home country.

Pricing

Every effort is made to ensure that the prices quoted to you are correct; however, Golf & Tours Pty Ltd acts only as an agent and relies on information provided to us from our suppliers of the travel services and products listed in this itinerary. We will bring to your attention any change in price prior to you paying the balance of the tour. N.B some golf clubs, hotels, transfer companies and travel service providers reserve the right to increase their pricing due to increases in green fees, hotel accommodation charges
