If, due to supplier availability an item on this itinerary is no longer available for our tour, Golf & Tours reserves the right to substitute the Tour Host, or any of the golf, accommodation, transfers or activities listed in this itinerary with any item of similar standard/value. If, due to Force Majeure event making it impossible or unsafe for Golf & Tours to deliver all or part of the Tour Package, Golf & Tours reserved the rights to postpone the tour to new dates.

By completing our booking form, you have given permission for Golf & Tours to take photographs of yourself, and to publish those photographs for any lawful purpose, including, but not limited to promoting Golf & Tours on their website, social media accounts, and promotional materials, either digital or in print, in perpetuity. If you have a change of heart, you can ask Golf & Tours to stop using your images at any time, in which case efforts will be taken to prevent them being used in future digital and offline publications but they may continue to appear in publications already in circulation.

Flights

This tour requires a minimum number of golfers to proceed. Please do not book your flights until you have been advised by Golf & Tours that this tour will be proceeding. If minimum numbers are not achieved, you will be offered a full refund or opportunity to transfer your payment to another tour.

Revisions, Modifications & Pre/Post Tour Options

Once Golf & Tours has confirmed that the minimum number of guests for a tour has been met, guests are kindly asked to decide if they would like Golf & Tours to arrange extra nights of accommodation before or after the tour, and if their flight schedules do not match the group airport transfers, whether they would prefer a private airport transfer. Golf & Tours is more than willing to organize these additional arrangements for our guests at no extra charge, up until the final balance due date. Any changes made to bookings after this date will incur a \$100 service fee.

Passport & Visas

It is your sole responsibility to ensure you have a valid passport at the time of travelling and that you hold all necessary visas and permits required by the country/countries you will be travelling to. All travellers must hold a passport for international travel, with at least 6 months validity.

In the last quarter of 2026, the rules of travel to most European countries change. Starting in the last quarter of 2026, people from over **60 visa-exempt countries** are required to have a travel authorisation to enter 30 European countries for a short stay.

ETIAS travel authorisation is an entry requirement for visa-exempt nationals **travelling to any of these 30 European countries**. It is linked to a traveller's passport. It is valid for up to three years or until the passport expires, whichever comes first. If you get a new passport, you need to get a new ETIAS travel authorisation.

With a valid ETIAS travel authorisation, you can enter the territory of these European countries as often as you want for short-term stays - normally for up to 90 days in any 180-day period.

From 2026, you can fill out the application form using either via the **official ETIAS website** or the ETIAS mobile application. Applying for the ETIAS travel authorisation costs EUR 7, though some travellers are exempt from paying this fee.

The European Union will inform about the specific date for the start of ETIAS several months prior to its launch.

Travel Insurance

It is mandatory that you have your own comprehensive travel insurance while travelling on a Golf & Tours holiday. The policy should provide cover for any element of your booking including loss of deposit, cancellation, liability for illness, medical expenses, repatriation, personal injury, death or loss of any kind, delay and inconvenience caused directly or indirectly by Golf & Tours or by any other third parties we subcontract to, and loss or damage to baggage and valuables. You are responsible for making any special or increased insurance arrangements which you deem are necessary. The payments made to G&T for your tour are non-refundable. Travel insurance will cover you for unseen circumstances that may force you to withdraw from the tour. Golf & Tours strongly recommends that you take out "Cancel For Any Reason" (CFAR) insurance.

Travel Health

Getting sick overseas is a sure way to ruin your trip. Taking appropriate precautions before beginning your trip can reduce your risk of getting sick whilst overseas. Prevention is better than cure. Your GP or travel doctor can tell you exactly what vaccinations you need for your upcoming trip. Their advice considers your health, your immunisation history and your destination. Golf & Tours recommends speaking to your

doctor, and to consider vaccinating yourself, or getting a booster to protect yourself, against COVID-19 and Influenza.

Staying hydrated is essential when travelling. Worldwide, tap water varies from country to country. Drinking water in other countries is one of the leading causes of health issues for travellers. Travellers become ill because the water pathogens in the local tap water are foreign to their immune systems. At the same time, locals can drink from the same source and have no issue whatsoever because they have adapted to the water supply from a very early age. Golf & Tours recommends drinking bottle water, and using bottled water to brush your teeth on any tour, outside of your home country.

Pricing

Every effort is made to ensure that the prices quoted to you are correct; however, Golf & Tours Pty Ltd acts only as an agent and relies on information provided to us from our suppliers of the travel services and products listed in this itinerary. We will bring to your attention any change in price prior to you paying the balance of the tour. N.B some golf clubs, hotels, transfer companies and travel service providers reserve the right to increase their pricing due to increases in green fees, hotel accommodation charges and currency fluctuations etc. Where the increase in price is greater than 10% of the original price of the tour, you may choose to either:

- (a) cancel the applicable booking without incurring any penalty; or
- (b) accept the change of price

You must notify the Golf & Tours of your choice within 14 days of receipt of notice of the increase or you will be deemed to have accepted the price change and will be liable for payment of the increase.

Termination of Booking Contract or Change of Travel Arrangements due to Force Majeure

If Golf & Tours in its reasonable opinion, considers that any Force Majeure event prevents Golf & Tours (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Golf & Tours may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Event of Force Majeure
