Flights

This tour requires a minimum number of golfers to proceed. Please do not book your flights until you have been advised by Golf & Tours that this tour will be proceeding. If minimum numbers are not achieved, you will be offered a full refund or opportunity to transfer your payment to another tour.

Revisions, Modifications & Pre/Post Tour Options

Once Golf & Tours has confirmed that the minimum number of guests for a tour has been met, guests are kindly asked to decide if they would like Golf & Tours to arrange extra nights of accommodation before or after the tour, and if their flight schedules do not match the group airport transfers, whether they would prefer a private airport transfer. Golf & Tours is more than willing to organize these additional arrangements for our guests at no extra charge, up until the final balance due date. Passport & Visas

It is your sole responsibility to ensure you have a valid passport at the time of travelling and that you hold all necessary visas and permits required by the country/countries you will be travelling to. All travellers must hold a passport for international travel, with at least 6 months validity.

Travel Insurance

It is mandatory that you have your own comprehensive travel insurance while travelling on a Golf & Tours holiday. The policy should provide cover for any element of your booking including loss of deposit, cancellation, liability for illness, medical expenses, repatriation, personal injury, death or loss of any kind, delay and inconvenience caused directly or indirectly by Golf & Tours or by any other third parties we subcontract to, and loss or damage to baggage and valuables. You are responsible for making any special or increased insurance arrangements which you deem are necessary. The payments made to G&T for your tour are non-refundable. Travel insurance will cover you for unseen circumstances that may force you to withdraw from the tour. Golf & Tours strongly recommends that you take out "Cancel For Any Reason" (CFAR) insurance.

Travel Health

Getting sick overseas is a sure way to ruin your trip. Taking appropriate precautions before beginning your trip can reduce your risk of getting sick whilst overseas. Prevention is better than cure. Your GP or travel doctor can tell you exactly what vaccinations you need for your upcoming trip. Their advice considers your health, your immunisation history and your destination. Golf & Tours recommends speaking to your doctor, and to consider vaccinating yourself, or getting a booster to protect yourself, against COVID-19 and Influenza.

Staying hydrated is essential when travelling. Worldwide, tap water varies from country to country. Drinking water in other countries is one of the leading causes of health issues for travellers. Travellers become ill because the water pathogens in the local tap water are foreign to their immune systems. At the same time, locals can drink from the same source and have no issue whatsoever because they have adapted to the water supply from a very early age. Golf & Tours recommends drinking bottle water, and using bottled water to brush your teeth on any tour, outside of your home country.

Pricing

Every effort is made to ensure that the prices quoted to you are correct; however, Golf & Tours Pty Ltd acts only as an agent and relies on information provided to us from our suppliers of the travel services and products listed in this itinerary. We will bring to your attention any change in price prior to you paying the balance of the tour. N.B some golf clubs, hotels, transfer companies and travel service providers reserve the right to increase their pricing due to increases in green fees, hotel accommodation charges
